

Workshop on Physical Property Measurement System (PPMS)

Date : August 16, 2011 (Tuesday)

Venue : Room G23, G/F, Science Centre North Block, CUHK, Shatin, NT

Programme:

10:00 – 11:00 Introduction of PPMS and lab demonstration
(Mr. Andrew Li)

11:00 – 12:00 Poster session
Theme: Property measurements of low dimensional nanostructures using PPMS

Lunch break

14:00 – 17:00 User training session (*limited slots available*)

Registration:

To register, please send e-mail to pyho@phy.cuhk.edu.hk, specifying your name, school, position and contact phone number, and the session (morning and/or afternoon) you would like to attend by August 12, 2011. Please note the user training session is restricted to potential users whose research projects are heavily involved with PPMS usage.

Contributed poster submission:

Titles must be submitted by August 12, 2011 to pyho@phy.cuhk.edu.hk.

Enquiries: pyho@phy.cuhk.edu.hk
