

## Workshop on Physical Property Measurement System (PPMS)

**Date : August 28, 2012 (Tuesday)**

**Venue : Room G25A, Science Centre North Block, CUHK, Shatin, NT**

### **Programme:**

- 10:00 – 11:00 Introduction of PPMS and lab demonstration  
(Mr. Andrew Li)
- 11:00 – 12:00 Poster session  
Theme: Property measurements of low dimensional nanostructures using PPMS
- Lunch break*
- 14:00 – 17:00 User training session (*limited slots available*)

### **Registration:**

To register, please send e-mail to [pyho@phy.cuhk.edu.hk](mailto:pyho@phy.cuhk.edu.hk), specifying your name, school, position and contact phone number, and the session (morning and/or afternoon) you would like to attend by August 24, 2012. Please note the user training session is restricted to potential users whose research projects are heavily involved with PPMS usage.

### **Contributed poster submission:**

Titles must be submitted by August 24, 2012 to [pyho@phy.cuhk.edu.hk](mailto:pyho@phy.cuhk.edu.hk).

**Enquiries:** [pyho@phy.cuhk.edu.hk](mailto:pyho@phy.cuhk.edu.hk)
